

# Whiteboard FILM

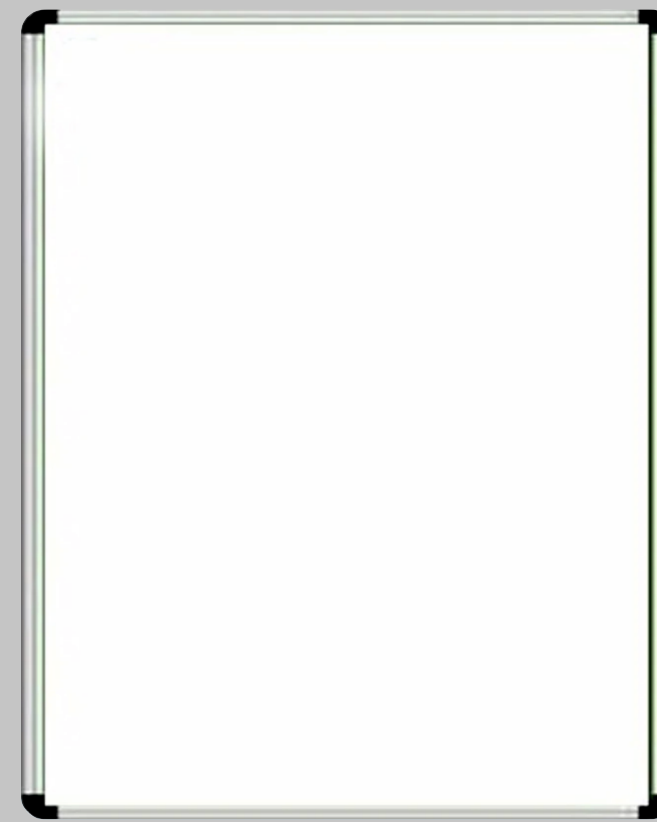

## Quick Erasable Writeable Film

Designed to convert any flat surface into writeable & projectable Whiteboard

### What is Whiteboard Film ?

**Hi-Tech** "Quick Erase Whiteboard Film" is a multilayer laminate produced by laminating specially formulated white opaque film with a permanent pressure-sensitive adhesive and silicon release liner. Laminate has a strong hardcoat and long lasting surface.

It has the ability to transform your any flat surfaces in meeting rooms, offices, classrooms, residences & hotels into writable & projectable Whiteboard without sacrificing interior space.

# Whiteboard FILM

## Quick Erasable Writeable Film

### APPLICATIONS :

- ❖ Writing Menu Board in Kitchen
